Committee Report, April 7, 2008

Submitted by Mark O'Grady, Committee Chair

The Faculty Development Fund Committee reviewed 59 applications with 34 awards being granted, 10 of which were collaborative, with awards ranging from \$900 - \$3500, for a total of \$66,200. Winning applications varied in range and subject matter, included such proposals as an interactive media sculpture entitled **Monument #2**, a research project on Portable E-books and their implications for libraries and literacy, the development of an indoor bicycle storage prototype called **Tether and Groove**, and funding to support an exhibition of student work from the Architecture Writing program entitled **Language/Making**.

ABOUT THE FACULTY DEVELOPMENT FUND

Now in its thirteenth year, the purpose of the fund is to provide financial support for the development and advancement of full-time faculty, chairpersons, and members of the adjunct and visiting faculty. This year's awards will total \$65,000 with \$15,000 allocated to encourage the development of collaborative/cross disciplinary courses/studies/projects at the Institute.

Faculty must have completed three years of service, including 2007-2008, to be eligible for an individual grant or primary applicant on a joint grant. However, faculty with only one year of service including 2007-2008 are eligible when applying as a secondary applicant on a joint grant - as long as the primary applicant has at least three years of service. The President of the Academic Senate is deemed ineligible during his/her term in office plus one academic year after stepping down from this position.
