Dear Jenny:

It is my great pleasure to inform you that Diana and Edmund S. Twining, III have graciously contributed \$50,000 to support the Faculty Development Fund this year. Also, this gift has enabled us to increase the Faculty Development Fund Endowment to \$695,000.

This is an important gift for Pratt Institute to have received, for it marks the first time that a member of our Board of Trustees has committed so substantial an amount of funding to support the Faculty Development Fund. It is also an indication of the priority that the Twinings have placed on the further development of our faculty.

From conversations with Diana and Ned, I know that they are very interested in the work that will be undertaken by our faculty through the grants their gift will be supporting. Accordingly, we will be informing them as to the progress of the work that will be undertaken through their gift. I know that you will join with me in expressing Pratt's appreciation for their generosity and dedication.

Sincerely,

Thomas F. Schutte  
President
